Furthermore, each such assessment, together with such interest, costs and reasonable attorneys' fees also shall be the personal obligation of the person who is the Owner of such Lot.

Section 7.2 The assessments levied by the Association shall be used exclusively for the purpose of promoting the health, safety, and welfare of the residents of the Property and in particular for the improvement and maintenance of the Property, services and facilities devoted to these purposes and related to the use and enjoyment of the Common Areas. Such uses shall include, without limitation, the costs of all general real estate taxes, insurance, repair, replacement and maintenance and other charges required or permitted by this Declaration and the cost of those items that the Board shall determine to be necessary or desirable to meet the purposes of the Association, including without limitation the establishment and maintenance of a Contingency and Replacement Reserve.

Section 7.3 Each year on or before November 1, the Board shall estimate the total amount of expenses necessary to pay the cost of wages, materials, taxes, insurance services, supplies and any other necessary or desirable items or services which will be required during the ensuing calendar year (January 1 – December 31) for items or services authorized by the Board, together with a reasonable amount necessary to fund the Contingency and Replacement Reserve, and shall, on or before December 1, make available to all Owners who so request the amount of such estimate ("Estimated Cash Requirement"). Such Estimated Cash Requirement shall be prepared on a line-item basis. The Estimated Cash Requirement shall be assessed among all of the Owners excepting the Declarant. On or before January 1 of the ensuing fiscal year, each Owner shall be obligated to pay to the Board, or as it may direct, the annual assessment made pursuant to this Section. On or before the date of the annual meeting of each calendar year, the Board shall make available to all Owners who so request an itemized accounting of the expenses for the preceding fiscal year actually incurred and paid, together with a tabulation of

the amounts collected from the Owners pursuant to assessments made during such year and showing the net amount over or short of the actual expenditures, plus reserves. The Board shall upon demand at any time furnish a certificate in writing signed by an officer or agent of the Association, setting forth whether the assessments and/or charges on a specified Lot have been paid. Such certificates shall be conclusive evidence of payment or nonpayment of any assessment and/or charges thereon.

Section 7.4 (a) The Board shall build up and maintain a reserve for the replacement of capital improvements, other authorized capital expenditures and for unforeseen expenditures (the "Contingency and Replacement Reserve"). Capital improvements and expenditures which may become necessary during the year shall be charged first against the Contingency and Replacement Reserve.

(b) If the Contingency and Replacement Reserve proves inadequate for any reason, including nonpayment of any Owner's assessment, the Board may, at any time, levy a special assessment, which shall be assessed among the Owner, excepting Declarant; Lots shall be assessed for special assessment the same as for annual assessment as set forth in Section 7.3. The Board shall serve notice of any such special assessment on all such Owners by a statement in writing giving the amount and reasons therefore, and such special assessment shall become effective and fully payable ten (10) days after the delivery or mailing of any such notice of assessment.

Section 7.5 The failure or delay of the Board to prepare or serve the Estimated Cash Requirement on any Owner shall not constitute a waiver or release in any manner of any Owner's obligation to pay his share of such Estimated Cash Requirement as herein provided, as and when the Estimated Cash Requirement shall be determined, and, in the absence of the preparation of the Estimated Cash Requirement, the Owner shall continue to pay his share of such Estimated Cash Requirement at the then existing annual rate established for the previous calendar year, subject to adjustment at such time as the Estimated Cash Requirement has been prepared and the Owners have been notified thereof.

Section 7.6 The Board shall keep full and correct books of account in chronological order of the receipts and expenditures pertaining to the Common Areas and any other

property with respect to which it may have rights hereunder, specifying and itemizing the maintenance and repair expenses of such property and any other expenses so incurred. Such records and the vouchers authorizing the payments described therein shall be available for inspection by any Owner or any representative of an Owner duly authorized in writing, or any holder of a Mortgage, by appointment, at such reasonable time or times during normal business hours, and upon payment of reasonable fees which the Board may impose to cover administrative costs, when requested by an Owner or by the holder of a Mortgage. Upon five (5) days' prior written notice to the Board, any Owner shall be furnished a statement of his or her account, which statement shall set forth the amount of any unpaid assessments or other charges due and owing from such Owner.

Section 7.7

Any assessments or other charges which are not paid when due shall be delinquent. If the assessment or charge is not paid within thirty (30) days after the due date, the assessment shall bear interest from and after the due date at the lesser of the rate of eighteen percent (18%) per annum or the highest rate allowed by law, and the Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Owner's Lot, and interest, costs and reasonable administrative, collection and/or attorneys' fees incurred in any such action shall be added to the amount of any such overdue assessment. The amount of any delinquent and unpaid charges or assessments, and interest, costs and fees as above provided, shall be and become a lien or charge against the Lot of any such Owner when payable and may be foreclosed by an action brought in the name of the Board as in the case of foreclosure of mortgage liens against real estate. The directors of the Board and their successors in office, acting on behalf of the other Owners, shall have the power to bid in the interest so foreclosed at foreclosure sale, and to acquire and hold, lease, mortgage and convey any interest so acquired. The Association shall not be required to accept any member who's membership is based upon ownership of a lot for which delinquent assessments, fees, costs, or charges remain outstanding, whether or not there is an enforceable lien against the lot and whether or not said assessments, fees, costs, or charges were incurred by the present owner or a prior owner.

Section 7.8

The lien of assessments and/or charges provided for herein shall be subordinate to the lien of any Mortgage now or hereafter placed on the Lots. In the event of the

issuance of a deed pursuant to the foreclosure of such prior Mortgage or in lieu of such foreclosure, the grantee of such deed shall take title free and clear of any lien for assessment authorized by the Declaration so long as any such lien shall have arisen prior to the date of recording of any such deed.

Section 7.9 Whenever two (2) "Contiguous Lots" in the Development shall be owned by the same Owner, and such Owner shall desire to use two (2) of said lots as a site for a single dwelling house, said Owner shall apply in writing to the Architectural Review Committee for permission so the use said lots. Owner shall be subject to all requirements of all governmental units having jurisdiction over the property and those requirements for building and permits.

For purposes of these restrictions owner shall be considered owner of two (2) lots for voting purposes and for dues assessments and shall be obligated to pay dues for two (2) lots.

Section 7.10 (a) In addition to maintaining the common areas, the Association may provide clean up and maintenance of any unit or parcel of real estate requiring the same, when necessary in the opinion of the board to preserve the beauty, quality and value of the development. Provided, however, that prior to providing such maintenance, the Association shall give 10 days written notice to the Owner of any such unit or parcel of real estate of the need for such clean up and/or maintenance. Maintenance as used in this paragraph shall include but not be limited to paint repair, roof repair and replacement, gutters, downspouts, exterior building surfaces and yard clean up such as grass cutting, shrub trimming and general yard clean up and maintenance.

(b) The cost of such maintenance shall be assessed against the unit or parcel of real estate upon which such maintenance is performed or in the opinion of the board against unit or parcel of real estate benefiting from the same. The assessment shall be a portion among the parcels involved in the manner determined to be appropriate by the board. The exterior maintenance assessments shall not be considered a part of the annual or special assessments. Any exterior maintenance assessments shall be a lien on the unit or parcel of real estate and the personal obligation of the owner and shall become due and payable in all respects, together with interest, reasonable attorney fees and cost of collection as provided

for the other assessments of the Association and shall be subordinate to the mortgage liens as provided for herein.

(c) For purposes performing the maintenance authorized by this Article, the Association, through its duly authorized agents or employees, shall have the right, after reasonable notice to the Owner, to enter upon the property (but may not enter any building located on the property) of any unit or parcel or the exterior of any improvements thereon at reasonable hours any day except Sundays and legal holidays.
